Professional Summary

Enthusiastic and self-driven Software Engineer with hands-on experience in full-stack web development using .NET, PHP (CodeIgniter), React.js, Angular, and Node.js. Skilled in building scalable backend APIs, secure authentication (JWT), and applying Clean Architecture principles. Collaborative team player with a strong work ethic, problem-solving mindset, and passion for continuous learning.

Technical Skills

Frontend: React.js, Angular, HTML, CSS, JavaScript

Backend: .NET, PHP (CodeIgniter), Node.js, Java, Python

Databases: MySQL, MSSQL, MongoDB

Tools & Others: Git, Postman, VS Code, Figma, RESTful APIs

Professional Experience

Associate Software Engineer | Earrow Pvt. Ltd. (Apr 2024 – Present)

- Developing scalable applications using PHP (CodeIgniter) and Angular.
- Writing maintainable code, integrating APIs, and improving system performance.
- Collaborating with cross-functional teams to deliver robust features.

Trainee Software Engineer | Earrow Pvt. Ltd. (Nov 2023 – Apr 2024)

- Assisted in backend development and bug fixing for PHP and .NET systems.
- Supported SQL database optimization and version control.

Instructor | NIBM Campus (2023 – 8 months)

- Conducted sessions on software engineering fundamentals and guided student projects.

Selected Projects

Prescription Management System – .NET Core, React.js, SQL Server

Built a full-stack system for pharmacies integrating QR codes, inventory, and real-time chat.

E-Commerce Web API – ASP.NET Core, SQL Server

Developed RESTful APIs with JWT authentication, RBAC, and clean architecture.

Student Management System – PHP (CodeIgniter), MySQL

Centralized system for managing student records and administrative operations.

Agricultural Products Web Application – PHP, MySQL, JavaScript

Created an online marketplace for agricultural products with admin CRUD panel.

Billing System – C#, MSSQL

Desktop billing solution for a vehicle service center with role-based access.

Education

BSc (Hons) in Software Engineering | ICBT, Cardiff Metropolitan University | Present

Higher National Diploma in Software Engineering | NIBM, Kurunegala | 2022–2023

Diploma in Software Engineering | NIBM, Kurunegala | 2021–2022

Soft Skills

Leadership, Teamwork, Problem Solving, Creativity, Critical Thinking, Self-Learning, Presentation Skills
